Information 360°

Schweinfurt has long ceased to be just a city of industry but has become a city where art, culture, remarkable architecture, science and tradition are combined.

Embedded in the charming Franconian vineyards, the city of Schweinfurt and its surrounding countryside offer visitors a fascinating contrast between industry and art, tradition and modernity.

Our Schweinfurt 360° tourist information team is happy to answer any questions you may have and will help you plan your stay.
