Guided Tours

A trip into the local area - with wine or beer, Franconian food and hospitality, art and museums - requires a skilled guide.

Go on a discovery tour of the city of Schweinfurt and its surrounding area with certified tour guides. You can book guided tours with various themes - for example, a tour of the Old Town with historic buildings or historical backgrounds.

The basic price for a maximum group size of 25 people is €40.00 per hour with an additional one-off foreign language fee of €10.00. You can choose the time of your tour, subject to availability.

The Schweinfurt 360° tourist information team is happy to help you plan individual tours and advise you on offers and options.
