

Schweinfurt Wildlife Park

A treat for the whole family, free of charge: Visitors will find around 50 species of animal in the Schweinfurt Wildlife Park. The park is home to 500 animals from Germany and other parts of the world, including 14 species of bird, many ungulates and fallow deer. There are also small animals, such as guinea pigs. Among the most popular animals are Lasse the elk bull, the pair of lynxes and the fun herd of wild boar. For English-speaking visitors, there is appropriate signposting for the animal enclosures and an English leaflet.
